- 2) Review workflow and faculty/instructor view of student assessment grid after peer reflection is completed.
- 3) Introduce steps to enroll students in Digication (critical in order for us to create student accounts).
- 4) Review:
 - How to upload/insert a PowerPoint presentation
 - How to link or insert a YouTube or Vimeo video
- 5) Make short video and attach as link. [If time, review how to upload to Vimeo with privacy settings.]
Prompt: In 1 – 2 minutes, please share your current thoughts about using ePortfolio in your class/program.
- 6) Leslie will meet individually with faculty to begin to discuss their hopes/plans for the spring 2011 pilot project. Initial conversation during class, but individual appointments will be scheduled during December and January.
